My dear Zwi. Rev!

I am very worried not having heard from you for such a long time. In fact, I believe there are about 3 of my letters to you unanswered. I do hope you are well. Please write immediately. - Heartiest congratulations on your birthday. May all your wishes be fulfilled, and may you always be happy & healthy. - Everybody here is O.K. Do you sometimes see our relatives? Tell me more about yourself & your work in your next letter.

Longing to hear from you, and again wishing you all the very best, yours with love Fay.
