My dear Zwi Cor!

I have to apologise for not having answered your two last Hebrew letters sooner, but I am really very busy these days. I am going to make this just a short letter, to let you know that we are all keeping well, and I promise you not to be very long, with my next long letter to you. I must admit my Hebrew is not so good as it should be and I rather have difficulties in reaching your letter. Make the next one English. good exercise for you. Please write even if I don't answer right away. I'm always waiting for your letters. Best regards to all our children, tell them not to worry. I have told everybody to work. Lots of love

Best wishes & all my regards. Love I will write soon.
Your letter sister Robin. Fay.
