Dear Z in Car!

The last letter we received from you was dated the beginning of March. I hope you have written since. I was very pleased to hear, that you are keeping well, and that you like it there. - Also we keep on writing through the Red + to Jugoslavias, to our dear mother. I am sorry to say we haven't heard anything for months. We should help we should all be able to be together soon. I am very worried at times, but worrying about a thing does not help, we must pray to God, and have faith in him, and hope that everything will turn out for the best. - You were complaining in your last letter about me not writing enough about myself. Well, there is not much really. I suppose you know that my occupation is being a manageresse in one of the goodsinstki shops. I earn £3 a week. I am living in Letchworth and having to travel up to London every day my fare-money amounts to rather a lot. I also pay towards the household, but still one must be satisfied, and so I am. On the whole I manage nicely. There is always a lot to do in my spare time. I read quite a lot. Sundays or sometimes in the evening I go out with my friends, with Lare and Chaim, or Tully to the picture or to see a good play, or listen to a concert. Now that the days are getting nearer towards summer, I'll probably go swimming and play tennis. - Last week I took a day off during the week and went

to the shopping - centre of London the West-End.
(Oxford-Street, Piccadilly Circus &c.). I had to
get a number of things for myself, and after words
I went to see Tully, to the place where he works.
I had never been there before, being right ~~on~~ the
other side of London, too much a distance.
Anyway I had ~~not~~ seen him for some time, so
I thought I might ~~as~~ well pop up there. He works
in a big building right opposite the diamond-
club where Onkel Herschel and Onkel Berl are
spending ~~their~~ time all day. He was surprised
to see me, I talked to him for about $\frac{1}{2}$ hour. He
happened to be very busy. He is cutting diamonds
in his own now, and he will be making quite a
lot of money soon. He likes his work and that
is the main thing. I gave him your last letter.
and he said he will write to you soon. I
will speak to him on the phone soon and
I'll ask him whether he has done so. - Sara and
Chaim are getting on very well, thank you!
They are very happy. I guess Sara wrote to
you about herself all this is to write. Any-
way they live in a nice flat near where Chaim
works. Sometimes I come there and stay
over night. That's about $\frac{3}{4}$ of an hour from where I work.

In Yiddishev everybody is all right. I live together
with Tante Sara, Onkel Herschel, Leo, Gigi, Judith and
Esther, Recha, Ben and the children live about 20 min

walk from us, and the Grodzinski Family lives
opposite them. Through the war a lot of people
are evacuated to Letchworth, most of them Jews
to a matter of fact it is supposed to be the
most orthodox community amongst all the other
places where people went to because of the bombs
having been in London. Israel comes to see us
once a week, He's getting on all right with his
new job. Ester has a lot to learn in school,
and does not get much spare time. She is getting up
on very well and sends her regards to you and
to do all the other relations. Please write
more next time, about yourself and the other
dear ones. - It is very late now I have to stop,
otherwise I won't be able to get up to-morrow, to
catch my train. Forgive me for my writing, I hope
you will be able to read it, as you can see
I am in a hurry.

Keep well and do let us hear
from you soon. Your sister Fay

Reminds me to all.

So long.

I found those two snaps I hope you'll like them.
