Dear Zvi -

As you know I received your letter and I was very pleased with it. I was waiting for Fay's to write to you about the Tragedy.

We were very pleased to hear that you like it at least. I imagine the life in kibbutz very interesting. Your articulation is coming nearer now, we wish you all the luck and hope you will be successful. I have seen the photo of you, it is hard for me to imagine you so grown up, since last when I think of you I always think of the little Hershie with the smile face. I suppose we have all changed and I wish we could be with our dear mother's together soon. Let us hope it won't be long now.

We do have a lot of joy from our dear little Ruthy's she is very sweet and is the image of Chaim's a good and happy little thing. Last week she cut her first two teeth and we were so thrilled when we discovered these baby's stands up properly now, and it won't be long in before she will walk. Chaim's is still very busy on important work. I think married life is very nice and we are very happy. We wish you a happy new year and hope this long bill comes to an end soon.

Give my regards to the family yours Chaim Sara & Ruthy
