Dear Zwi Cov.,

This is an answer to your letter with the 5th which I received yesterday. I posted 3 air-graphs to you on May the 15th. Though I sent them to your old address I suppose they have been sent on to you. I was very pleased to hear you are settled satisfactorily in the Yeshiva. How are you managing financially? Let me know. What exactly are you learning? If you see or write to the aunts, tell them not to worry, everybody is all right. Uncle Bert has never been too good a letter-writer, and I think he would change as far as that is concerned. I suppose I ought to write to them sometimes, but not having done that for such a long time, makes it all the more difficult to start. Do give them my love, and Uncle Pinner too. I'll let that be all for now, hoping there is a long letter from you on the way for me. Lots sends his love. Best wishes and good luck. Fay.
