

24th Sept. 1946

My Dear Zusi, & N's

Thank you very much for your letter, I found it extremely interesting in its description of the country. I hope that you are keeping well. Sara wrote a letter to you, and sent you some photo graphs of the children, but by mistake, I posted it by ordinary post instead of air mail. I hope that it has reached you by now. I am getting on quite well in my work, and I like it too. There is not much news really, and the main object of this letter is really to wish you a happy & prosperous New Year, and all the very best for the future. May all your wishes come true.

With love
Your sister
Ester,

Dear Zusi & N's

I gave me much pleasure to read your letter in which you are writing about Palestine. And in how short a time it has built up so very beautifully. Let us only hope that it will soon be part of the world that we can continue to work for.

I presume you have settled down to your studying again (Oh hope is found Dir Leibelst on?)

The factory is getting along steadily. Chaim has bought a car (it really belongs to the firm, but Chaim is the only one that can drive) and so we have been around quite a lot lately. Chaim had only a few lessons, and drives lovely now, he is a very steady driver. The car was bought a 2nd hand. It is a RENAULT 1939 model. 8 or 9 h.p. only 2 doors, built in lights. The side windows are all in on and the ~~interior~~ colour is pale-green. Chaim and I went to the "Britain Can Make It" Exhibition today. It was only the private opening for representatives and designers ^{to} day.

the ring and Queen will be there tomorrow on the
 public opening. There are all kind of or fields etc. in
 listed all very modern. Furniture made of best
 aircraft plywood. Lots of articles made of
 plastic. A very new design design of a bicycle
 (perhaps to be seen on the road in about 5 years time)
 2 designs of blouses are also made. One a tip
 up long (Tang) of best plywood, the other a
 see-saw made of ~~aluminium~~ wood.
 The children are in very well, Judith ^{can} sits up
 Now she is really so sweet. And Ruthy is
 a very good girl too.
 Tang and Tully are going to be with us
 for 21st 5th
 Maim and I are wishing you a ^{21st 5th}
 May the new year bring happiness
 We hope to hear from you soon yours
 very truly
 Sava.
 Hope the letter with photos has arrived.

Bitte entschuldige diese Schmiererei. Ich bin sehr müde und habe keine Geduld ordentlich zu schreiben.
