Dear Zwi, bro

We have had several of your letters, and we were very happy to know that you are well. How do you like your agricultural school. Do you still remember what I look like? Up till a few months ago I was living in Sunderland with some English people, now I am

living with Juggy and Lee &  
little Judith. I am getting on  
very well at school. I am  
surprised that you write  
such good English, where  
did you learn it? Have  
you heard anything about  
Molten? Tilly, Hey & Sara  
are well. Sara is going to  
get married to Shayne. He  
is from Poland. Is that  
a surprise to you? Has  
she written to you? Many  
regards from all of us.

Love Ester XXX
